

Welcome to 2023!

Welcome back to all of our students. It's great to see everyone and hear about their breaks. Just a reminder that News & Notes are sent out every week via email and text. You can also find them under Resources - Newsletter on the website. Basketball continues, and Volleyball is getting started. Check the calendar online and make plans to come cheer on the Warriors.

Technology

The new technology that we have been waiting for is finally up and working. We have a few bugs to work out here and there, but every classroom is enjoying a brand new 75" Promethean Board.

PTO Meeting

Our very own Parent/Teacher Organization will be starting back up! We have been without this group for a number of years now. PTO members are involved with the school in a variety of ways. The first meeting will be held next Thursday, January 12, at 5pm in the cafeteria. The discussion will center around naming the group and potential activities and events to sponsor for the remainder of the year. Attending and participating in meetings and events qualifies for volunteer hours. Sarah Nixon will be the host of our meeting next week. She has two children attending TLS. Please contact her at bostonmommy2@aol.com if you have questions or would like to participate but cannot make that meeting.

Warm Outer Clothing

Remember that students are still getting fresh air as the weather allows. Make sure they have coats or jackets and gloves/hats daily.

Lunch News

Lunch menus are online and should be available more than a week in advance now. Please keep Mr. Crook in your prayers. He has been diagnosed with cancer and will not be returning to the school. Mrs. Stevens will continue to serve as our cook and will be taking over more of the administrative side of the program moving forward. We are thankful for the time Mr. Crook dedicated to the school and pray for healing as he battles the disease.

Dates to Remember

1/9 - Basketball Game JV vs. St. Thomas, Philo at Home; 5pm
