

Testing Week

Next week begins academic testing throughout the school. Every grade will participate in these achievement tests. These tests give us a snapshot into the areas that students are struggling with and excel in. They also provide us some direction regarding any needed updates to our curriculum. It is imperative that students arrive at school on time and well rested. We understand that test taking is harder for some than others. We simply ask that each student take pride in their work and effort and do their best.
