

March 3, 2023

Dear families,

An important change to our policy regarding late arrivals (not tardy), early pick up, and returning to school midday is being initiated beginning Monday, March 6.

If your child will arrive late from an appointment or leave mid-day, you will need to contact your teacher (as always) and also the office ahead of time. Your child will be ready for pick up in the school office at the designated time. It is unlikely that your child will be ready earlier than requested. If your child is arriving late or returning, you will bring him/her into the school office with a note, and the office staff will get them to class.

A few important things to note as well: Students should not be leaving early unless it is absolutely necessary. Upon return, a note will be necessary even if it is the next day. Also, notice must be given if you intend to remove your child, except in cases of an emergency. Students and teachers have routines and activities all day, everyday and need time to plan for disruptions.

Trinity strives to maintain a safe and effective environment for all students. If you have questions or concerns regarding this policy, please contact me at your convenience.

PTO

Several updates were given at last night's meeting. The candy grams were a huge hit. Thank you to everyone who participated. PTO will be present during the upcoming open house to greet potential families, hand out treats, and share experiences. If you would like to participate, please contact the school office. Several event ideas were discussed for later this school year and even into next year too. Stay tuned...

Flower Order Forms

Please make sure flower order forms are turned into the office no later than Friday, March 10. If you send them in with your student on Friday, make sure your student gives it to the teacher **first thing in the morning** or brings it to the office before school.

Spring Pictures

Spring pictures will take place on Thursday, March 16.

Special Services

The church will have a Lenten supper before each Wednesday service through Easter. Supper is served at 5:00pm, and the service begins at 6:30pm.

Trinity Positive Connections

Let's look for the positive; the things or events for which we are thankful, the people who make a difference in our lives. A new item in the weekly News and Notes, taken from the PTO survey, is the Trinity Positive Connections where you can read about some of the good things happening with our Trinity families. If something positive has happened with or to your family in relation to Trinity, or if you or your child would like to send a shoutout to a staff member/student/family for some kind of positive interaction, send me a note. Forms will also be available for students to fill out. Recognition can be kept anonymous if requested. God created a marvelous world. Let's remember that and show our thanks to Him and to others.
