### Maundy Thursday

The students did a wonderful job in church this morning. Pastor Tibben spoke of the Lord's Supper, what it is, why we celebrate it, etc. Even though we practice "closed" communion, meaning you must complete instruction and become a member of the church before you are able to participate, every student was welcomed to His table to receive a blessing.

**Good Friday** service will take place tomorrow at 12:00pm and 6:30pm.

**Easter Sunday** all are welcome to join the church for breakfast at 8:00am, a family activity at 9:00am, and church at 9:30am.

### 2023-2024 Registration

Registration for next school year will open to CURRENT families next week. Information will be sent home as well as digital communication. Tuition rates will increase next year. HOWEVER, the school board has approved a tuition freeze for CURRENT students if they are registered by the end of this school year. That deadline is May 26th. Watch for more information.

### Trinity Boosters

The next meeting will be held on Thursday, April 13 at 6pm in the cafeteria.

### Art Show/Spring Concert

This year, Trinity students will have much of their artwork from the year displayed on Tuesday, May 2, before the Spring Concert. We anticipate this will become an annual event. We may be in need of help setting up. Various displays are being created to showcase projects from the year. If you would like to join a group to help, please contact the school office. We will put you on the list and make sure that information is sent to you.

### Trinity Positive Connections

\*Thank you to everyone who was able to join our Maundy Thursday service this morning and to the students for doing such a wonderful job with their participation. You sounded lovely.

Let's look for the positive; the things or events for which we are thankful, the people who make a difference in our lives. A new item in the weekly News and Notes, taken from the PTO survey, is the Trinity Positive Connections where you can read about some of the good things happening with our Trinity families. If something positive has happened with or to your family in relation to Trinity, or if you or your child would like to send a shoutout to a staff member/student/family for some kind of positive interaction, send me a note. Forms will also be available for students to fill out. Recognition can be kept anonymous if requested. God created a marvelous world. Let's remember that and show our thanks to Him and to others.
