

May 26, 2023

Graduation

Graduation is here! Seven students will receive diplomas this evening. The event is held in the church. Doors open at 6:30pm, and the service begins at 7:00pm and is followed by a cake and punch reception. All Trinity families and friends are welcome and encouraged to attend.

Re-Enrollment

Registration is open for new and returning students. Returning students enrolled by May 31 will lock in the current tuition rate for next year.

New Students

New student inquiries continue to increase. If you have referred a family to Trinity, PLEASE be sure that they list your name in their application. You will receive credit for the referral which equals a credit on your tuition.

Report Cards/Test Results

Report cards and annual test results will be mailed next week to all families "in good standing". Transcript requests for high school should be emailed to tls@trinityadvancedlearning.org.

Past Due Balances

2022-2023 balances must be paid before year end documents are released. This includes transcripts, diplomas, etc. Please contact the school office and make arrangements to drop your payment off or make your payment online.

Medical Forms

Please send in your child's medical forms that are updated over the summer. We will update his/her file and can prevent delays next year.

Office Hours

The school office will change to summer hours for June. Typically, the office will be open from 9-11am. Other times are available by appointment. In July, the office is available by appointment only. Voicemail and email will continue to be monitored throughout the summer months.

Dates to Remember

5/26 - Graduation 7pm

Mrs. Thompson - Director of Administration
