

9/9/22

Mums

Thank you to all the families who sold or purchased mums. This was one of our best years ever! You may be pleased to know that volunteer hours are given to families who participate in fundraisers. An hour is given for every \$100 raised.

Law Enforcement Drill

Trinity will have a law enforcement drill on Wednesday, September 21st. The drill will be run by the Danville Police Department. During the drill, a whistle is used as an alert that an intruder is present. Teachers will be practicing with students in the days leading up to the drill. All practices and discussions are done within the individual classes and are kept age-appropriate. This is a drill we complete annually. If you have any questions, please contact Mrs. Thompson in the school office.

Billing

Charges will begin to show up on your accounts as the office catches up from the beginning of the year. Before and After Care charges and Lunch charges are generally posted every Monday. There is no charge for lunch this year. Milk by itself or a second milk is billed at 50 cents each. If you feel that you have been billed in error, please send the office an email so that we can look into it. Remember that BAC bills from 7am-7:59am and 3:31pm-5:30pm (12:15pm on early dismissal days).
