### Wonderful Wednesday

Our first Wonderful Wednesday had great participation this past week. This program will run through May 20 from 3:30pm to 5:30pm in the cafeteria. There is no charge for aftercare on those days for current Trinity students. A Bible story and related art activity, Math fact practice, homework help, snacks, and outdoor time will be offered. A number of dedicated Trinity members are helping with this program. We are grateful. Please come!

### Uniform Sale

Our last uniform sale will be Monday, April 20 - Friday, April 24 from 8am - 4pm in the school office. All items will be \$1.00 each.

### Spring Concert and Art Show

The Spring Concert and Art Show is scheduled for Thursday, April 23. The Art Show will open at 5:30pm. The concert will begin at 6:30pm. Please join us as we "Make a Joyful Noise to the Lord".

### Trinity Anniversary Sunday

Trinity Anniversary Sunday is April 26. This is an amazing opportunity to join together with Trinity Lutheran Church to celebrate the many blessings of our school over the last 162 years. Our students will sing as part of this worship service and should arrive no later than 9:15am to be signed in. Dinner will follow the service. Please see the reservation slip that was sent home last week.

### Field Day

Field Day is scheduled for Friday, May 1. Many volunteers will be needed. We hope you can join us.

### Children's Theatre

Our students have been invited to attend the Red Mask Children's Theater production of *The Bremen Town Musicians* at the Kathryn Randolph Theater. Our trip is scheduled for Wednesday, May 6. We will leave shortly after chapel and return in time for lunch. Please consider driving for our trip. Permission slips will come home next week.

### Creation Museum

Our trip to the Creation Museum is covered! Thanks to fundraisers and generous donors, each student will be able to attend the field trip for free! We have room on the bus for some extra people so are inviting ONE parent per family to join us. The cost for parents will be \$55 for entry to the museum plus \$50 for the bus. Parents that do not wish to ride the bus are welcome to drive, but we are asking that we keep our extras to ONE parent per family. This is not a family vacation, but rather a chance for our students to hear and see unique exhibits that teach them more about God's amazing work of creation.
