

### **Many Thanks!**

We have had a very busy April! Thank you, parents and grandparents, for participating in our activities and for getting us from place to place! Thank you to those that attended the Anniversary Sunday service and dinner! Thank you to those that have signed up to drive for the play at the Kathryn Randolph Theatre on Tuesday! Thank you to those who signed up to attend our end-of-the-year field trip to the Creation Museum!

### **Reminder**

We will leave for the theater at 9:30am on Tuesday morning and return about 11:00am. Please be in the parking lot by 9:15am if you signed up to drive.

### **Wonderful Wednesday**

Wonderful Wednesday continues...Pentecost luminaries and Bible scrolls are in the making. Thank you to all our great homework helpers. See you on Wednesday!

### **Rescheduled**

We apologize for the last-minute decision, but due to very wet field conditions and cooler than expected temperatures, field day was rescheduled for Friday, May 8. New permission slips were sent home today. Drivers and volunteers will be needed.

### **Creation Museum Trip**

The tickets have been purchased! Next week you will get a detailed itinerary as well as a list of DO's and DON'Ts for the trip. We are looking forward to an amazing adventure!

### **Closing Chapel and Awards**

The last chapel is scheduled for Thursday, May 21 at 8:30am. We will go from chapel into the gym for the awards. Following awards, students will be released. Parents not able to attend should plan to pick up their student(s) by 10:30am. AFTERCARE is NOT available.

### **Payments**

In order to avoid problems at the end of the year, please make sure you are current with tuition, lunch, and before/aftercare bills.
